Josh Wallace, Victory Life Church

### ORGANIZING YOUR MINISTRY

Tommy Carrington, IMPACT 922 Ministries

Youth workers are wired for relationships, not reviewing budget reports, or creating planning sheets and timelines. Yet any strong, successful youth ministry requires that you use administrative skills as well. Sometimes it means “recruiting to your weaknesses,” but effective administration still needs to be done. Attend this session to get tips on the basics of ministry management, risk assessment, scheduling, and communication.
