

BECOME AN URBAN ALLY

You can help us do more by becoming an Urban Ally Today!

A monthly commitment of **\$25 or more**, can help ensure Fuel Network Leaders are provided with the training and resources they need to fuel a movement of urban leaders who lead generations of youth.

Our goal is to partner with 20 new Urban Allies at \$25 or more per month.

Your Gift is the Root of Gospel Impact

THANK YOU

Dear Resource Partners,

I am deeply filled with gratitude as I look over this report. Over the last 18 months, we have been beta-testing several programs successfully. We are excited for the future.

This last year, we have developed a church and non-profit strategic process helping leaders exponentially reach more youth with the Gospel. We have created a new discipleship paradigm to help churches move into the future to stop the 1.2 million young people leaving the Church. We have unlocked the power of our certification program, enhancing its quality and scalability by training leaders from over 19 states in the coming year.

In addition, we gave away \$250,000 in capacity-building grants to help our leaders grow in impact and sustainability. Our Fuel Networks are becoming the national delivery system to fill the knowledge and resource gaps that urban leaders are facing. This is just the beginning! It has taken 5 years to get here, and we are excited to see how God uses this as a launching pad for immense growth.

We could not have gotten here without you. We hope this report fills you with joy and satisfaction for how you are impacting youth nationally and internationally with the Gospel.

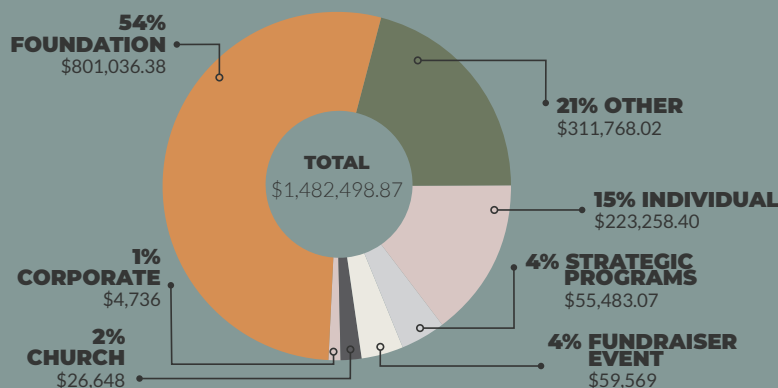

Thank you so much for all of your prayers and support. We are deeply grateful for you.

Peace to you,

TOMMY NIXON, CEO
Urban Youth Workers Institute
