You can help leaders become the leader they were created to be.

Our Urban Allies are essential to fulfilling our mission through their monthly commitments of \$25 or more. These monthly partners ensure Urban Leaders have the certification, community, and coaching they need to become the leaders they were created to be and to reach more youth with the Gospel of Jesus Christ.

Thank you for your ongoing partnership with UYWI. Would you consider becoming an Urban Ally to further develop Urban Leaders and reach more youth with the Gospel?

2025 ANNUAL REPORT

Thank You

Dear Resource Partners,

2025 was extremely challenging, but because of you, we did not give up. As we reflect on 2025, we are filled with deep gratitude, not just for what was accomplished, but for who made it possible. You did. Your generosity, your prayers, and your belief in the mission of Urban Youth Workers Institute fueled something remarkable this year.

God moved, and you moved with Him.

This year, UYWI crossed a milestone: since 2018, our network of trained leaders has now collectively reached over 300,000 young people across urban communities. That's 300,000 lives touched by leaders who were equipped, encouraged, and sent out through your investment. Every dollar you gave had a face, a name, and a future attached to it.

In 2025, we welcomed new cohorts of leaders into our certification programs, men and women stepping boldly into the calling God placed on their lives. We expanded our cohort offerings, deepening our reach into areas like Whole Life Discipleship and Organizational Capacity Building. These aren't just programs. They are pipelines of transformation for urban communities that desperately need rooted, Christ-centered leadership.

We also made meaningful strides toward long-term sustainability. UYWI is building toward a future where the mission doesn't depend on the next check alone, where earned income, trained facilitators, and a growing community of leaders sustain the work for generations to come. You helped lay that foundation.

None of this happened by accident. It happened because people like you said yes — yes to the city, yes to young people, yes to the Kingdom work that often goes unseen but never goes unnoticed by God. As we move into 2026, we carry everything this year taught us, and everything it gave us forward. We believe the best is still ahead, and we are honored to walk this road with you.

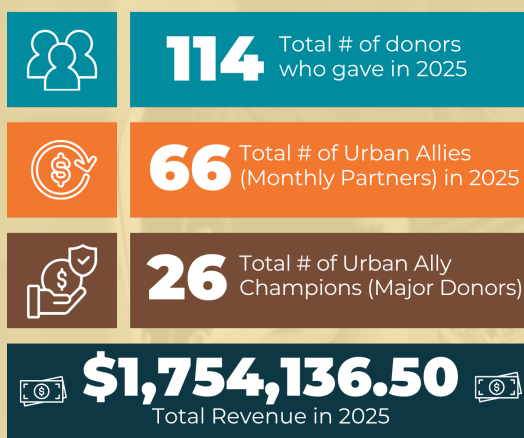

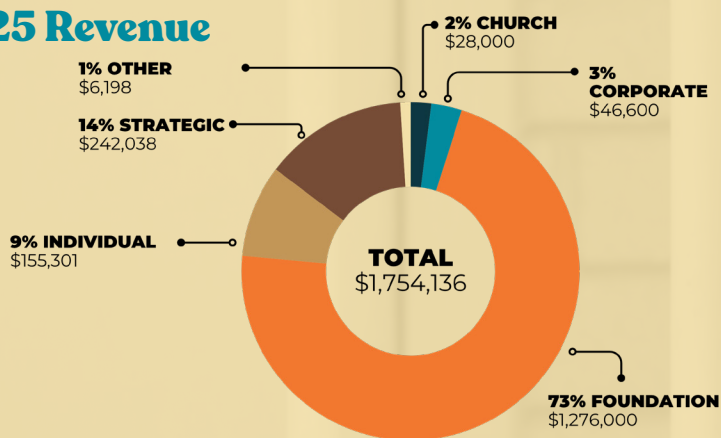

Thank you for seeing what UYWI sees. Thank you for investing in leaders who invest in the next generation. Thank you for being part of a story that only God could write.

Peace to you,

TOMMY NIXON, CEO
